INSTRUCTIONS FOR EMPLOYEE REFUND OF OCCUPATIONAL TAXES WITHHELD

GENERAL INSTRUCTIONS:

Refund procedures have changed. We require the number of hours worked to be reported. The normal work year is 2080 hours. We do realize that many jobs require overtime and the overtime rate differs from the regular hourly rate. In this case, the employee may need to complete a different formula using the overtime rate. It is **IMPERATIVE** that the refund application be completed as required in the instructions below. If it is completed incorrectly, it will be returned to the applicant, which will delay the refund.

FOR PAYROLL WITHHOLDING REFUND APPLICATIONS:

The employee can complete the application, but the EMPLOYER must sign the refund application and verify that all information on the document is correct. **THE REFUND CHECK WILL BE MAILED DIRECTLY TO THE EMPLOYEE AT THE ADDRESS PROVIDED ON THE APPLICATION.** If the address is incorrect, the check will be returned to our agency. The employee is required to complete the appropriate areas on the request and sign the form or the request will not be honored. It takes approximately 6 to 8 weeks to process refund requests.

REQUIRED INFORMATION NEEDED FOR PAYROLL WITHHOLDING REFUND REQUESTS:

- Separate application for each employee for each year and each locality involved.
- Copy of W-2 issued for each year and each locality involved. If the W-2 is not available, a copy of the last check stub with year to date totals will suffice. Current year withholding must also be verified. A computer printout from payroll office will also suffice.
